Mott's Nervetine Pills mands. This premature graduation necessary on account of the scarcity

The snow "difference" on Wednesday between the city officials and Traction Company gave a fair idea of just how many business and professional men are not very busy. From Franklin Square to chechard street triangle they met in groups and discussed the incident. Most everybody had to laugh at the climax. It was one of those things which are funny even though there may be a serious side to them. The spectacle of the Traction Company "super" getting his first look at the filled in tracks his plow had eleaned but a few minutes before was positively funny.

There are a whole lot of little short words which the conservative manney. uses to emphasize his thoughts. Mr. Rock is conservative, otherwise things would have been different. If ex-Manager W. B. Rockwell had been in the "super's" shoss he would have probably made a few aside remarks, which, would have been heard at the O, and W. paint shops. He would have chosen such perreaching sentences, that everybody

not in admiration. But not so of Mr. Rock. He was so nice and pleasant and cool about the incident that some of the beholders ceased restraining their laughter. He walked from the end of North atreet 130 down to King, where the city men were loing their almost to get the snow back 8c Perfume 5, 10, 15c per bottle in between the rails before the plow started. He didn't ask for any information; he didn't need any. His face, howwood handle, 48c per Set ever, was beaming with smiles. Turns ship. The only others taking part were IOC ing to Asar, "Super" Gausman they returned to the red car and retired for

### MAINE REMEMBERED

tleship's Destruction.

Graves of the Heroes Strewn With Flowers-The Wreck Hung With faurel Wreaths—Ceremonies in Memory of Maine's Victims.

HAVANA, Feb. 16.-The sun shone brightly yesterday morning for the first time in several days, when the wreck of the United States battleship Maine, destroyed in Havana harbor on the evening of Feb. 15, 1898, was decorated Cuba to investigate and report recomwith a large American flag. At 9 o'clock the stars and stripes were holsted at half mast by Captain Eaton of the United States auxiliary cruiser Resolute, who, with Mrs. Estos Rathbone and Mrs. Dudley and ten sailors of the Resolute, rowed to the sunken battlea battalion, with officers, of the First Maine heavy artillery.

An immense tope of greens was fes-

tooned about the fighting top, each loop hung with laurel wreaths four feet in diameter and tied with red, white and blue ribbon. The Cuban club of Eaton transferred to the peak of the At 10 o'clock high mass was celebrat-

ed in memory of the Maine victims in the Merced church, at which Major "served car right" or "somebody's get- General Ludiow and several of his staff, flames and burning flerrely. were present. The ceremony, which was very impressive, was attended by at 6:30 o'clock. At 8:15 the building was Was very impressive, was attended by Brigadier General George H. Ernst, rep. a total loss.

Fresenting Major General Brooke: ComThe building was 75 feet by 325, and a resenting Major General Brooke; Commodore B. J. Cromwell, captain of the council, the executive committee of the Cuban military assembly and other members of the assembly, the secretaries of the civil departments and many of the Havana fire brigade and other local organizations. Many women of the better classes were in the congregation, which prowded the edifice.

Yesterday afternoon the graves at Colon cemetery were decorated in the presence of American officials, military and naval details participating.

### The Horror Recalled.

WASHINGTON, Feb. 16.4-A statement prepared by the auditor for the department yesterday, the anniversary of the destruction of the United States battleship Maine, shows that the total number of claims filed to date on account of that disaster under the act of March 30, 1895, is 325, amounting to \$123,542. Of these 92 are claims for indemnity by survivors, amounting to hand awaiting evidence, and 30 cases are yet to be heard from. The records

Will Be Like Ours. WASHINGTON, Feb. 16.—Captain W.

H. Elliott of Newcastle, Ind., director of posts for the island of Porto Rico, salls from New York today for Ban Juan on the transport Mississippi, together with Massrs. Macias and Nixon, his confiden-tial assistants. He carries instructions to institute an independent form of postal government on the entire island on March 16 next. This will be the adop-tion in its entirety of the postal system of this country and will be identical with the postal system just inaugurated in Cuba. It will place Porto Rico on the same postal status with respect to the United States as all countries belonging to the universal postal union.

Orders were given yesterday for the printing of a complete set of stamps for Porto Rico, simply surcharging the First Anniversary of the Bate United States stamps by printing the words "Porto Rico" across the face. All postmasters will close their accounts in the name of the United States, furnishing a statement of all transactions and MEMORIAL SERVICES HELD IN HAVANA returning all stamps on that date and open accounts fresh. The international money order rates will continue permanently, both as applies to Cuba and Porto Rico, and when Chief Clerk Gadadon of the money order system here, detailed as special commissioner to those is lands, finishes his work in Cube he wil proceed to Porto Rico, probably by March 15, and establish a domestic

money order system there. The postal commission dispatched to mendations have submitted their report to the postmaster general. The main points in reorganizing the service and Americanizing the management and methods of the postoffices have already been mentioned.

FLAMES IN NAVY YARD.

Serious Fire In the Machine Shops at Brooklyn.

NEW YORK, Feb. 16.-Four alarms were turned in last night for a fire in navy yard. This is a three story brick on the boat crane, and this Captain full of old lathes and old machinery. The woodwork of the building was so well saturated with oil that the flames made great headway. The copper smiths shop, the boiler makers' shop, the carpenters' shop and the foundry were soon i

portion of it was occupied as a pattern shop. In it were stored and kept patterns and models of the various warships built from time to time. All of these models and natterns were destroy. the lowest, and it is very probable that the patterns and models were expensive ing is placed at \$350,000; on machinery,

Crew of the Lawrence Safe BAVANNAH, Feb. 16 .-- Every member of the crew of the wrecked steamship William Lawrence was saved, but only after the greater number of them had suffered terrible hardships. The tugs Cambria and Cynthin came in last evening from the sea islands of South Carolina, bringing with them Captain A. L. Willie and 13 men, constituting those who had been missing since Sunday morning when the ship was abandoned in the breakers off Port Hoyal bar.

Exposition Appropriation Cat. ALBANY, Feb. 16.-The bill appropriating \$600,000 for the Pau-American exposition to be held on the Niagara frontier in 1901 has been amended to make the appropriation \$300,000, with one-half of the amount payable this year and the remaining half payable in
